Capability Statement

Core Competencies

Credible Solutions LLC provides disciplined background investigation support for federal suitability and personnel vetting programs. The company delivers controlled investigative capacity aligned with federal standards, with emphasis on quality, timeliness, and professional accountability. Operations are aligned with applicable federal investigative standards and contract requirements, and the company is structured to support small-volume and surge requirements with emphasis on reliable execution and clean delivery.

- Background Investigations (Federal Suitability and Personnel Vetting)
- Subject Interviews and Fieldwork Support
- Records Checks and Source Development
- Case Documentation and File Preparation
- Quality Control and File Review Support
- Program Coordination and Delivery

Differentiators

- Controlled, small-volume delivery model designed to protect quality and timelines
- Bench of experienced investigators with federal program familiarity
- Emphasis on low return rates and clean documentation
- Direct founder oversight on initial deliveries to ensure quality control
- Disciplined scope management to prevent overextension

Past Performance

New vendor seeking initial subcontracting and surge support opportunities. References are available upon request. The founder has prior experience supporting federal investigative and personnel vetting programs, including program support and adjudicative support functions. Additional details available upon request.

Company Data

Credible Solutions LLC is a small business focused on supporting federal suitability and personnel vetting programs through background investigation and related investigative support services. The company is organized to operate in compliance with applicable federal standards and contractual requirements.
